Dear Walkling Court Resident,

Please join Medford Housing Authority (MHA) staff and Dietz & Company Architects (Dietz) for a presentation regarding the redevelopment of Walkling Court. On April 27, 2023, Dietz & MHA presented the preferred concept design option. At this time we would like to share the completed schematic design developed by Dietz with you.

We encourage all residents to meet and take part in the presentation showing the complete schematic design for the redevelopment of Walkling Court. Residents will also have the opportunity to ask questions after the demonstration. Please see the above time schedule for your selected meeting time. You do not need to register or RSVP for this meeting.

We look forward to seeing everyone and are excited for this next chapter in the redevelopment of Walkling Court.
